The Canine Good Citizen Test

The heart of the CGC® program is the 10-step Canine Good Citizen test. At the beginning of the CGC® test, handlers sign the Responsible Dog Owner's Pledge before taking their dogs through the 10-step test with an AKC Approved CGC® Evaluator.

Who Can Participate?

Both purebred and mixed breed dogs are welcome, and there is no age limit at this test. After your dog passes the test, get the official AKC CGC® title for your dog. AKC's processing fee is \$20. You will receive the CGC® certificate, be able to use the suffix "CGC®" after your dog's name, and CGC® will be added to your dog's title record. To get the official AKC title, your dog must be registered or listed with the AKC (and have a number of one of these three types: AKC number, PAL, or AKC Canine Partners). This is because to create titles, AKC attaches them to the dog's number. To get a CGC® certificate only without the official AKC CGC® title the processing fee is \$10 and CGC® will not be added to your dog's title record. The best part of all is that your dog's name and official titles are listed in the AKC records forever. Go to the American Kennel Club's website: <http://images.akc.org/cgc/number.pdf> that fully explains the test.

Requirements

Dogs must be old enough to have received necessary immunizations such as rabies vaccine. Proof of vaccinations is required. Please bring a copy of your dog's vaccination records with you to the test site. You will **NOT** be able to test without them.

Supplies

Bring your dog's grooming brush or comb with you. Have your dog on a six-foot leash (no flexies). Dogs may only wear one of the following: a plain buckle or slip collar or harness. Pull harnesses, jump harnesses, prong collars, head halters, Gentle Leaders, and Halties are not permitted.

How to Register

Give Barbara Powischill a call at 412-881-5683. You can also send an e-mail message to Barbara at cindersmom2@hotmail.com or you can send the information to Barbara's home at 4741 Doverdell Drive, Pittsburgh, PA 15236. Let Barbara know the name of the dog's owner and the handler's name if different than the owner. Your address, telephone number, breed of dog, AKC Registration number (if applicable), dog's date of birth, dog's call name and dog's registered name (if applicable). Barbara will then let you know a time for your test and whether or not the 10-dog limit as been met.
