*Trick Class

Tricks are fun! Tricks, like games, are a great way to offer your dog some mental stimulation keeping your dog alert and energetic. Tricks give you and your dog time to be together and play. Tricks help your dog to 'learn how to learn'. If they can learn tricks, then they can learn obedience and good behavior. Go ahead....have some fun and teach your dog some tricks. Plus it's a lot of fun to train a dog some cool dog tricks to show off for friends!

** Musical Freestyle & Heelwork to Music Class

Dance with your dog!! An 8-week introduction to Canine Musical Freestyle and Heelwork to Music -- dog sports based on dancing with your dog. Dancing with your dog is a great way to develop your bond with your dog, and your confidence in working off-leash with your dog. And it's lots of fun. You don't have to be a dancer to do it! By the end of the class students will create their own freestyle routine to perform with their dog. Only non-aversive training techniques will be used. The only requirement is that your dog must be able to work off lead around other dogs before starting this class.
